

Rabix Labs

Code of Conduct

Version: 1.0

Department: Human Resources (HR)

1. Purpose:

The Code of Conduct defines the professional standards, ethical responsibilities, and expected behavior of all employees at Rabix Labs.

2. Respectful Workplace:

All employees must:

- Treat colleagues, clients, and partners with respect.
- Maintain professional communication.
- Support a positive and inclusive workplace environment.

3. Professional Ethics:

Employees are expected to:

- Act honestly and responsibly.
- Make decisions based on company values.
- Avoid conflicts of interest.
- Maintain professional integrity.

4. Confidential Information:

Employees must protect confidential information, including:

- Company strategies
- Customer data
- Internal documents
- Financial information
- Intellectual property

Sharing confidential information without authorization is strictly prohibited.

5. Workplace Communication:

Employees should:

- Communicate clearly and respectfully.
- Avoid offensive or inappropriate language.

- Collaborate effectively with team members.

6. Use of Company Resources:

Employees must:

- Use company equipment and systems responsibly.
- Protect company assets from misuse or damage.
- Use software and resources only for approved purposes.

7. Security Responsibilities:

Employees must follow security practices:

- Keep passwords confidential.
- Report suspicious activities.
- Follow IT security policies.

8. Harassment and Discrimination:

Rabix Labs maintains a workplace free from:

- Harassment
- Discrimination
- Bullying
- Unprofessional behavior

All concerns should be reported to HR.

9. Violation Consequences:

Violation of this Code of Conduct may result in disciplinary action depending on the seriousness of the issue.

Possible actions include:

- Written warning
- Suspension
- Termination of employment

10. Reporting Issues:

Employees can report concerns related to:

- Ethical violations
- Workplace conflicts
- Security issues
- Policy violations
