

# **Rabix Labs**

## **Employee Benefits Policy**

**Version:** 1.0

**Department:** Human Resources (HR)

### **1. Purpose:**

The Employee Benefits Policy outlines the benefits and support provided by Rabix Labs to promote employee well-being, job satisfaction, and professional growth.

### **2. Eligibility:**

- All full-time employees are eligible for company benefits after completing the probation period.
- Some benefits may vary depending on the employee's role and employment type.

### **3. Health Benefits:**

Rabix Labs supports employee health by providing:

- Medical insurance (where applicable)
- Annual health check-up programs
- Access to wellness initiatives and health awareness sessions

### **4. Paid Time Off:**

Employees are entitled to:

- Annual leave
- Sick leave
- Casual leave
- Public holidays

Leave entitlements are governed by the company's Leave Policy.

### **5. Professional Development:**

The company encourages continuous learning by offering:

- Technical training programs
- Online learning resources
- Workshops and seminars
- Certification support for approved courses

### **6. Performance Rewards:**

Outstanding employees may receive:

- Performance bonuses
- Employee recognition awards
- Promotions based on performance and business needs

## **7. Flexible Work Options:**

Where business requirements allow, employees may be eligible for:

- Work From Home (WFH)
- Flexible working hours
- Hybrid work arrangements

## **8. Employee Assistance:**

Employees can seek support from HR regarding:

- Workplace concerns
- Career development
- Policy guidance
- General employee welfare

## **9. Equal Opportunity:**

Rabix Labs is committed to providing equal employment opportunities regardless of gender, religion, ethnicity, age, or disability.

## **10. Policy Updates:**

The company reserves the right to modify employee benefits based on business requirements and applicable laws. Employees will be informed of any significant changes.
